

ACTION REQUIRED!

**Deadline is
Thursday, February 23rd**

Attn: 10th & 11th Graders

AHS will not be serving our traditional 4 lunches for the ELA TAKS test on March 7th. **You will need to bring your own sack lunch.** If you are unable to bring your lunch, you can order a lunch through your **House Office.** The deadline for ordering a sack lunch is:

Thursday, February 23, 2012 at 3:30 pm.

Order forms and additional details are located on the AHS website and in your house office.

NO OUTSIDE DELIVERIES ALLOWED

**AHS will conduct the ELA TAKS test on
Wednesday, March 7.**

 On the March 7 test day, students must bring a sack lunch or order one through the AHS cafeteria.

This arrangement has several advantages:

- With the length of the ELA TAKS test, some students would not be able to eat lunch until 2:30 with the normal A-B-C-D lunch schedule.
- Supports best practices for testing (uninterrupted time frame).
- Supports test strategy best practices; stopping the test and allowing students to eat at a normal time of day supports optimal test results.
- Because of TAKS testing restrictions, **NO** outside or parent deliveries will be possible on test day.

Testing Day Lunch Procedure

- **Students need to bring a sack lunch.** (Students bringing their own lunches from home must have them when they arrive at school.)
- All students have the option of pre-ordering a lunch from the cafeteria for **\$2.70** (charged to the student's lunch account).
- Students must turn in lunch order forms **to their house office** by **February 23**.
- Pricing will honor those students on free and reduced-price lunch.
- Students may **NOT** order lunches on the test day.
- **No outside or parent deliveries will be possible on test day!**

Sack Lunch Order Form for March 7 Testing Day

\$2.70 will be charged to your AHS lunch account
when you return this order form.

(Free or reduced-price lunch program will apply)

Menu

All sack lunches will include the following items:

- Turkey and American
cheese sandwich on
wheat bread
- Potato chips
- Baby carrots
- Cookie
- Apple
- Bottled Water

Student Name: _____

Student ID #: _____

Name and ID are required; orders **cannot** be made without them.
