

## Soccer Grading Policy

### **REQUIREMENTS FOR ALL COMPETITIVE ATHLETICS**

Physicals must be completed for all Lowery and Allen High School athletes before any athletic activity can begin. Forms for physicals can be downloaded from the Athletics webpage or can be picked up at the Athletics facility office.

Lowery Freshman Center and Allen High School offer a wide variety of highly competitive athletic programs for girls and boys. All positions on an athletic team, with the exception of football and track, are earned through competitive tryouts. Initial tryouts usually occur during the first 2 weeks of a semester; however, additional tryouts may be held prior to the beginning of the season (after Thanksgiving). A schedule change is required in the event a student does not make an athletic team.

Strict regulations regarding attendance at practice, training procedures, citizenship, tutorials and academic performance will be applied to all students who participate in athletics. Extended practice time may be required beyond the regular class period or school day. Athletes must travel to and from contests with teams unless excused by the coach.

#### **Soccer – Tryout Sport**

**PE1SGF – FALL**

**PE1SGS – SPRING**

**Grade: 9-12 Credit: .5-1**

Positions on the team are determined through competitive tryouts. A schedule change is required in the event a student does not make the soccer team.

Credits have increased for participation in athletics since 2009.

#### **Girls Soccer Policy:**

Each week a student will receive a grade. This is based on dressed in correct uniform, on time, participation in the class activity, motivation, individual skill and team work. A grade of 100 is awarded each week based on the above.

If a player does not participate due to injury, illness, a medical problem, the minimum grade will be 95 each week. Players are still expected to dress out and watch practice after a visit to the training room. A note from a parent or a doctor is required.

Failure to bring a note, dress out, lack of effort, attend practice as an observer, unexcused absences can result in a minimum grade of 90. Grades are posted on Skyward each weekend.

Players must attend athletic tutorials each Tues and Thurs in A106. If their grades are below 72. A weekly report is sent to the Head coach. Failure to attend tutorials will result in consequences as outlined in the Player Agreement form signed at the beginning of the year. Three non-attendances will result in not being able to play in a competitive game. Continued failure to attend tutorials and non-passing of classes will result in the player's removal from the soccer class.

If a player is on the Varsity squad and is not attending tutorials and/or not passing classes, she can be placed in the Varsity-in Training program until all work is made up and grades have returned to a passing grade through Skyward gradebook or an email/note from the teacher that the student is now passing.
