To: The Parents, Guardians, or Managing Conservators of children attending schools in the Allen Independent School District

The Allen Independent School District incorporates Integrated Pest Management Procedures for control of indoor and outdoor pest problems. Periodic application of pesticides at the Allen Independent School District Facilities *may* be required.

Information concerning these applications may be obtained from Rodney Vaughan, Allen I.S.D. Facilities Department at 972-727-0363.

Sincerely yours,

Rodney Vaughan  
Facilities Projects Coordinator
