

2020-2021 Story Library Legacy Books

Story Library Legacy books are promoted by the Story Library to honor our students and build our collection with new and exciting books! With a \$20 donation to the library, a book is purchased for our permanent collection and is inscribed with your student's name. Your student will be presented with this book and their picture will be on announcements! They will then get to check the book out for 2 weeks.

Please explain to your student that the book is a donation and will become part of the Story Library collection for other students to check out.

Suggestions for opportunities to honor your student with a Story Library Legacy book:

- Birthdays
- Accomplishments
- New member of the family
- Special family events

Story Library Legacy books are a great way to show your student the value that you place on reading; while at the same time helping our book collection grow.

Thank you for your support,
Kimberly Richardson, Librarian

Please fill out the information below and return to Mrs. Richardson, Story Librarian

Student to be honored _____
