

About me...

I am an experienced A.P. teacher certified by College Board, APUSH team leader, and serve as an A.P. exam grader. I mentor several APUSH teachers from around the globe and write curriculum. This is my 13th year at AHS & 24th year as an educator. I absolutely love my job and United States history.

On the 2016 AP exam, 99% of my students took the test and 92% passed. *The national average was 52%.* I have high expectations for myself and for my advanced students, but I am easy going and flexible.

I earned my Bachelors Degree in political science & history from TCU in 1992 and my Masters in Education from DBU in 2009.

I am married and a mother of three. My oldest son graduated from AHS in 2011. My daughter graduated in 2015, and my youngest son will graduate in 2018.
