PHILOSOPHY/PURPOSE

The primary purpose of the Allen ISD cheerleading/mascot program is to provide a positive game time experience for the athletes and fans. Being a cheerleader/mascot is an honor and special privilege. Cheerleaders and spirit groups exist to promote good sportsmanship, good citizenship, and wholesome and enthusiastic school spirit and are first and foremost representatives of their school. They should exemplify both individual and group behavior suitable to their position and in accordance with the rules as stated in the AISD Student Code of Conduct. Members of these groups have a fundamental responsibility to play a leadership role in building teamwork and helping the school achieve its goals and objectives. Because of these responsibilities, cheerleaders/mascots will be expected to maintain a higher standard of behavior both on and off campus and academic achievement than that of their peers. Cheerleaders/mascots will create and promote loyal school spirit, encourage quality performance and high academic standards. Through the development of spirit and cheer technique, leadership, cooperation, self-discipline and sportsmanship in each individual member, the cheerleaders/mascots will encourage the student body and the community through support in the promotion of athletic events and activities and inspire athletes to perform to the best of their ability. Each cheerleader/mascot hereby pledges to dedicate the time and energy needed to achieve and fulfill these purposes and agrees to abide by the AISD Cheerleader/Mascot Guidelines, the AISD Student Code of Conduct, Student Handbook, AISD Board Policy, Texas Education Association (TEA) and University Interscholastic League (UIL) rules and regulations, and any and all other applicable AISD Extracurricular Activity rules and regulations.

OBJECTIVES

Cheerleaders/mascots are expected to be physically and mentally skilled in learning and remembering cheers. They are also expected to be able to publicly demonstrate a skill level suitable for the team position and the timing necessary for group performance. Off the field, they are to enthusiastically support all athletic teams through advertisement, personal attitude, and attendance at events chosen by the sponsor and approved by the Principal and/or Program Director.

DEFINITION

Cheerleading year: The rules and procedures outlined in these guidelines are in effect from the time the student is selected to the cheerleading/mascot squad through the following academic year.

Program Sponsor: Cheer coach/sponsor

Program Director: Director of Fine Arts

PARENT PARTICIPATION

Positive parental involvement is appreciated throughout the cheer program. Parents play an integral role in supporting and encouraging their cheer member and the program. Parents are encouraged to work in a positive manner with the Allen Cheer staff and administration to promote and improve the educational, financial, and ethical welfare of the Allen Cheerleading Program and all the students involved. Parents are encouraged to set up an appointment with the program sponsor to discuss concerns, both positive and negative, which directly impact their child or the overall program with the appropriate cheer staff member.

ELIGIBILITY – TRYOUT

A student is eligible to try out for cheerleader/mascot if the following conditions are met at the time of tryouts:

1. The student must have passed all subjects the preceding grading period in order to participate in the tryout process. If a student is academically ineligible for the grading period preceding tryouts, that student is not eligible for tryouts unless eligibility is regained prior to tryouts.
2. The student is not serving a disciplinary placement (ISS, OSS, DAEP, JJAEP).
3. The student is enrolled in the Allen Independent School District and is trying out at the school where the student is registered to attend for the next school year.
4. If the student is not currently enrolled in the AISD, but is registered to attend an AISD campus for the next school year, the student may try out at that campus.
5. The student has no outstanding cheerleading balances from prior years.

COMMITMENT

Participation in the AISD cheerleading program carries both a significant time and financial commitment. Each cheerleader is expected to meet all financial responsibilities identified by their specific campus. Dedication to, and the prioritization of, cheerleading is obligatory from all cheerleaders and mascots to meet the objectives of the program. Candidates selected to be a member of the spirit squad are expected to maintain their commitment to the activity for the full cheerleading year. Prior to making commitments to be involved in other activities (including but not limited to competitive cheer and work), cheerleaders and mascots should carefully consider specific program requirements, as involvement in other activities may cause participation and time conflicts with cheerleading duties. Any cheerleader/mascot who voluntarily quits the squad before the end of the cheerleading year will not be allowed to try out for the next year.

FINANCIAL RESPONSIBILITY

It is the responsibility of each cheerleader/mascot to meet all financial obligations. Every effort is made to make all expenses minimal. Failure to meet the stated financial obligations will be reviewed which may lead to removal from the squad. If finances are an issue, a parent/guardian must discuss with the sponsor immediately.

SELECTION

The Allen Independent School District will hold a tryout for the selection for the cheerleading squads, (and mascots, if applicable). The tryouts will be held in the spring.

The principal or principal's designee of each secondary school hosting the tryouts will chair a committee composed of the campus cheer sponsor(s) and Program Director. The committee will be responsible for planning and facilitating the tryouts. The sponsor and Program Director, Principal or Principal Designee will be present during the entire tryout process. Parents will not be allowed in the building during any phase of the tryouts.

TRYOUT GUIDELINES

Each sponsor will be responsible for the preparation and distribution of a packet of information to be made available to all candidates. This information will include specific tryout dates, times, attire, procedures and all necessary application and permission materials which will include:

- Cheerleader/Mascot Application Form
- Allen ISD Cheerleading/Mascot Guidelines Acknowledgement Form
- Allen ISD Fine Arts Permission and Emergency Release Form

The building principal and the Program Director will approve this information prior to distribution. Tryout packets from all secondary campuses will be posted on the AISD cheer website. Candidates and their parent/guardian must sign a form stating that they understand and will comply with all information in the packet, including, without limitation, the AISD Cheerleader/Mascot Guidelines, and return all required permission forms and applications to the appropriate campus cheer sponsor by the designated deadline, before the candidate will be allowed to participate in the tryout process.

Once a candidate is selected as a member of the cheerleader squad or as a mascot, they will be required to complete the physical packet distributed after tryouts.

There will be a \$10.00 tryout fee which will help cover the cost of outside judges, materials, choreographers and clinic expenses.

Tryout numbers will be randomly selected.

Tryout uniforms should be limited to plain white t- shirt with no visible logo(s), black or navy blue shorts and any type of athletic shoes. Every item of clothing should be carefully considered to insure equity, anonymity, affordability, and safety for the students during the tryout procedure

Any deviations from the tryout procedure will require written approval of the Program Director prior to the deviation.

Cheerleaders shall be selected by a scoring method that assigns a weight of 100% to the ratings assigned by a panel of judges.

Every reasonable effort shall be made to avoid hiring judges to judge tryouts if they have tutored, taught or coached a cheerleader candidate(s) during the current school year. Every reasonable attempt will be made to hire judges who have not worked with students in the Allen area.

Notwithstanding the foregoing, however, with the hundreds of camps in the state of Texas, attended by thousands of cheerleaders and taught by hundreds of instructors, it is possible at some time that a member of the judging panel may have had some contact with a candidate who is trying out.

Judges will be instructed to judge the candidates based only on the skills that they see demonstrated during the tryouts.

AISD Cheerleader/Drill Team sponsors will not serve as a judge for cheerleader tryouts.

PANEL TRYOUTS

Panel tryouts will be closed to everyone except judges, program director, principals, and principals' designees. There will be no students, parents, or existing cheerleaders in the tryout room/area, the cheerleader candidate's warm up room, nor will they be involved in the collection or tabulation of scores. Parents and friends may wait outside the building. Any deviation by the candidates from the tryout requirements may result in the disqualification of the candidate.

TABULATION OF SCORES

The District-wide formula for tabulating final scores at the high school level will be as follows:

- Each judge may award up to 200 points total per candidate. For high school, the high and low judges' scores will be dropped and the remaining three scores will be averaged together to get the

judges' average score. This number will count 100%. All judge's scores will be used for middle school tryouts.

After the tabulation of scores, all official scoring will be kept in the Program Directors, principal or principal designee's office until results are posted. Original scoring sheets will be retained for 30 days following the tryout date.

REQUEST FOR SCORES

Any candidates wishing to receive their scores should email their cheer sponsor within two weeks of the tryout.

By law, all other student scores are protected and cannot be shared with anyone except the sponsor, principal, or principal's designee.

NOTIFICATION

After all tryout scores for a school are tabulated and confirmed by the Program Director, principal or principal designee, the final results will be posted in numerical order by tryout number with no indication of rank on the website.

VIDEO USAGE

Use of video in case of a medical condition will be determined on a case by case basis by the sponsor.

A written confirmation by a qualified medical doctor indicating the specific skill the candidate is incapable of performing will be required. This notice must also indicate an expected clear date that is on or before the first day of summer camp.

A video can only be used in the case of an injury that impairs the candidate from participating in a specific skill of the tryout. The video can be no more than six months old.

The candidate must perform each individual specific skill in the tryout to receive credit/points.

ELIGIBILITY--MAINTENANCE

All cheer squads will abide by the Texas Education Agency and University Interscholastic side by side rules for eligibility (No Pass, No Play).

GENERAL CONDUCT RULES

“Standards of Behavior; Sponsors of student clubs and performing groups such as the band, choir, and drill and athletic teams may establish standards of behavior—including consequences for misbehavior—that are stricter than those for students in general. If a violation is also a violation of school rules, the consequences specified by the Student Code of Conduct or by board policy will apply in addition to any consequences specified by the organization’s standards of behavior.” – AISD Student Handbook, pg. 62

Cheerleaders/mascots are expected to behave in a manner that is becoming to the individual, as well as to the organization they represent. They should be aware that in or out of uniform they are representatives of the cheerleading squad and the school they attend and should act accordingly.

The area of appropriateness will include, but are not limited to, language (abbreviated or alluding to), pictures, suggestive poses, clothing, reference and or depicting the use of alcohol, drugs, tobacco, vaping, etc.. Any question of appropriateness will be decided by the sponsor.

Any student removed from the cheerleading squad must also have a schedule change and be removed from the class.

Any cheerleader/mascot that is removed from or quits the squad for reasons other than academics before the end of the cheerleading year will not be allowed to try out for the next year.

Students who have been removed and those who voluntarily quit retain no rights to team awards, recognitions, etc., which are received after dismissal, although they may have accrued over the duration of the school term. They lose all privileges associated with cheerleading or mascot membership, including attending cheerleading/mascot only events, attending the cheer banquet (even as a guest), using cheerleading facilities, and wearing cheerleader/mascot attire.
