

# Hall of Honor

## Purpose:

The Hall of Honor recognizes outstanding athletes from all boys and girls sports at Allen High School.

## Nomination Process and Criteria:

A selection committee names recipients at an annual Athletic Hall of Honor banquet. Candidates must be an ex-athlete, employee, team or supporter of Allen I.S.D. They must have graduated from Allen High School at least 10 years ago and must demonstrate good character throughout their athletic career and following high school. If a nominee is deceased, a representative of his/her family may accept the honor. Recipients will be enshrined in the Athletic Hall of Honor at Allen Eagle Stadium. Allen residents, former students and all others are eligible to nominate an athlete for the honor. The selection committee asks that nominations include as much detail as possible to help choose the best candidates. Nomination Forms are located on the website. For more information contact the Allen Athletic Office at 972-727-0437 or write [kim.garner@allenisd.org](mailto:kim.garner@allenisd.org).
