Mission Statement
The Kerr Elementary community of students, staff, and parents will work together to create a nurturing, safe environment that promotes educating the whole child to become a life-long learner. We will embrace diversity, model mutual respect, and meet individual needs so every child can learn.

Vision
At Kerr Elementary we believe......

• To get into the mind of the child, you must first get into their heart.
• Actively engaged students are involved in meaningful and challenging work that results in optimum learning success.
• A teacher's passion to create a safe and rich learning environment inspires opportunities for students to express their unique gifts and talents each and every day.
• The path to change in the classroom lies within and through the participation in a collaborative professional learning community.
• A partnership with our community is critical to achieving continuous improvement and enriching our learning environment.

**Demographics Strengths**

Kerr Elementary has many strengths. Some of the most notable demographic strengths include:

1. Many families research high performing schools prior to moving to the Kerr zoning. Kerr's successes continually draw new families to our school.

2. Kerr had been recognized among the highest ranked elementary schools in student achievement in the state of Texas.

3. Kerr has a very supportive and active PTA. In addition, Kerr is fortunate to have supportive parents and students who value educational success.

4. Kerr has a diverse student enrollment that is celebrated regularly on campus.

5. In addition to our Comet Time Intervention Block during the instructional hours, intervention opportunities are provided before and after school for students identified as at-risk in Reading and/or Math. Additionally, teachers provide tutoring for their students as needs arise throughout the school year.

6. The Guidelines for Success theme and the implementation of PBIS on our campus has provided consistent behavioral expectations which results in maximized instruction time.

7. Kerr Staff has applied and been awarded multiple Foundation for Allen Schools grants to enhance classroom engagement, instruction, and student learning.

8. Kerr's attendance rate is consistently above district and state percentages.

9. This year we will implement SEL (Social Emotional Learning). This will consist of each grade level teaching targeted lessons.

The following highlights Kerr's strengths with staff quality, recruitment, and retention:

- Systems and procedures are relied upon that provide teachers with parameters in which to do their job
- Typical turnover at Kerr is due to teacher retirement
- Teachers are supported by administration teams and supporting staff
- Teachers have multiple certifications
- Majority of the teachers have experiences of 11+ years
- Continuing education is a priority for the teachers
- Consistent expectations to vertically align academically, socially, and procedurally
• Classroom teachers are hired from within, through student teaching, paraprofessionals, and substitutes
• New teachers supported through administration, mentors, and team collaboration and monthly Rookie Rallies
• Professional development is differentiated for campus wide needs
• Staff believes in the staff motto of, to get in the mind of a child you must first get into their heart
• Attendance rate remains stable year to year

Problem Statements Identifying Demographics Needs

Problem Statement 1: Kerr's Special Education population has increased from 8.9% in 2015-2016 to 9.5% in 2019.

Problem Statement 2: New teachers lack appropriate follow up on professional development given during the 1st year of teaching.

Meeting all of the federal System Safeguard:
• Performance Rates 20 out of 20 = 100%
• Participation Rates 14 out of 14 = 100%

Kerr Elementary has worked extensively in early identification of student academic needs and providing effective, systematic intervention opportunities which includes:

• School-wide Comet Time Intervention
• Regularly Scheduled Grade Level Comet Collaboration
• Before and After School Intervention
• State Approved Intervention Resources
• Homework Club
• Special Education Tutoring
• Focus on Early Intervention
• Social Emotional Learning

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: Master level performance STAAR writing scores decreased dramatically over a three year period.
School Processes & Programs

School Processes & Programs Summary

Kerr staff reviews student assessments in order to provide targeted instruction for improvement of student progress. Professional Learning Communities (PLCs) meet weekly to discuss student and teacher needs to promote achievement. Data is used to inform curriculum, instruction, and assessments decisions. During PLCs, instructional activities are aligned with student learning needs and expected outcomes for achievement. Assessments are developed with the purpose of measuring the impact of curriculum and instruction on student learning. Comet Time intervention targets student needs by providing systematic, direct instruction for every student regardless of their academic abilities.

Parents, teachers and students at Kerr Elementary take pride in their school and the school’s reputation of success. The perception of Kerr Elementary among all is that it is a safe and positive environment with a strong focus on academic excellence. Our commitment is to keep students at the center of all actions and decisions. As a result, there is a high standard for best instructional practices as well as building strong social character.

Kerr Elementary was renovated in 2018. This included a technology refresh. All current devices were replaced with the new equipment with the goal being to get 1:1 ratios of devices to students.

School Processes & Programs Strengths

The following highlights the Curriculum, Instruction, and Assessment strengths at Kerr Elementary:

- Strong systems for RtI procedures with early identification of at-risk students
- New students to Kerr assessed within one week of enrollment
- High level of teaching at performance standard
- ESL and Special Education inclusion support services are aligned with classroom instruction
- Collaboration meetings following data points to monitor student progress
- Effective, systematic intervention opportunities for students at all levels
- Structured and effective intervention time for all students at varying levels
- Analysis of instructional data to drive instruction
- Consistent use of formal and informal assessments to drive instructional practices
- Social Emotional Learning

The following highlights the School Context and Organization strengths at Kerr Elementary:

- Building diverse teams better meets the needs of students
• Systems, procedures and routines are consistent and reviewed frequently
• The master calendar provides large blocks of times that all students are receiving instruction in their classroom
• Intervention block provides all students with systematic, direct instruction at their current levels in math and reading
• Duty rosters are well planned, including substitutes that protect teachers' time to plan for the day
• Grade levels have a weekly planning time scheduled with meeting minutes shared with support teachers

Problem Statements Identifying School Processes & Programs Needs

**Problem Statement 1**: Appropriately streamlining required trainings, meetings, and paperwork that consume teachers' time. **Root Cause**: Increased demands on teachers that impedes adequate planning time.

**Problem Statement 2**: Kerr Elementary will focus on increasing STAAR progress in Reading and Math with a focus on staff development on analyzing data of students that did not meet progress. These students will receive targeted intervention.

**Problem Statement 3**: Teachers report availability, reliability, security, and network capabilities are barriers that reduce the use of technology.
Perceptions

Perceptions Summary

To get into the mind of a child, you must first get into their heart. Kerr staff excels at building strong, trusting relationships with their students. Every student that comes to us is unique. Our Kerr staff is challenged to find those unique gifts and use them to strengthen the child’s academic skills. One word that describes our work at Kerr is purposeful. Consistent systems, procedures and routines provide teachers with optimal instructional time. Protecting the integrity of the learning environment is critical. Maximizing instruction time to accelerate learning is imperative. We also provide intervention based on relevant data for every student on campus regardless of their academic abilities. By doing so, all students are challenged which results in high levels of student achievement. Kerr is very fortunate to have a community of parents that support our efforts in so many ways that contribute to making Kerr exceptional! Social Emotional Learning will help deepen the culture and climate at Kerr.

Kerr Elementary is fortunate to have supportive parents who devote countless hours contributing to their child's education. The PTA regularly coordinates their efforts with the Kerr staff to increase parental involvement by providing high interest events that foster community engagement.

Perceptions Strengths

Kerr has many strengths. Student survey data indicates that some of the most notable school culture and climate strengths include:

- Students feel safe and supported
- Students know what to do in an emergency
- Students have an adult they trust at Kerr Elementary
- Staff is in a positive environment and enjoy working here
- Staff believes community support is high
- Staff believes community has high expectations
- Parents feel we have a caring friendly staff
- Parents and students enjoy Watch Dog program
Parents believe they receive good communication from staff
Parents feel welcome

Kerr Elementary has many strengths. The most notable Family and Community Involvement strengths include:

- Frequent opportunities for parental involvement
