 Stranger Danger Social Story
(Sharing Personal Information)
Staying safe is very important!
Part of staying safe is *not giving* personal information to strangers.
A stranger is a person I do not know.
It is NOT OK to give a stranger information about my family!
It is NOT OK to give a stranger information through the computer or by talking to them. This could be dangerous.
It is NOT OK to give a stranger my personal information!
My personal information means my address, phone number or where my mommy and daddy work.
It is NOT OK to give a stranger information about where my family is going.
It is OK to talk to my mom and dad about personal information!
It is OK to talk to my teachers about my personal information!
Staying safe is very important!
I will not give strangers personal information.
This will help my family stay safe!
This will help me stay safe!
