

A day at the office

Steve, George, Percy and Frank all work at an office skyscraper. They all work on different floors (1, 2, 3, 4), and all leave at different times (3:00, 3:30, 4:15, 5:00).

The clues are:

- 1) Frank has to be home in time for the quarter past 3 basketball match!
- 2) Steve's floor is higher than George's, but lower than Percy's.
- 3) Percy has a wonderful view from his office!
- 4) The person on floor 1 leaves the latest.
- 5) The noisy cars driving right by his window leave George in a bad mood.
- 6) Frank's office is above Steve's.
- 7) Steve leaves the office 1 hour and 15 minutes after Frank, but only 45 minutes after the person on floor 4.

Fruit

There are 4 people - Jenny, Bob, Kate and Joseph
They each had a piece of fruit - Orange, Apple, Grapes and Banana
On a certain day - Monday, Friday, Saturday, Tuesday
Can you work out who has which fruit on which day?

Clues -

1. The person that had the orange ate it on Saturday.
2. The woman who had the apple did not eat it on Tuesday.
3. Joseph did not eat the bananas and did not eat on Friday.
4. People with O in their name did not eat the orange.
5. Bob ate his fruit on Tuesday.
6. Jenny loved eating her orange.

Funtime Preschool

Drew, Diego, Dean, and Dominick all go to Funtime Preschool. They each have a different teacher (Mr. Leo, Mr. Mcay, Mr. Hartz, or Mr. Stamp) who makes his students color in one of the following colors: blue, red, yellow, or orange. Your job is to match each student with their teacher and then match that with the color the teacher makes his class write in. Good luck!

1. Dominick must color in blue.
2. Mr. Leo doesn't like blue or orange.
3. Mr. Stamp tells his students to color in yellow.
4. Drew's teacher is Mr. Hartz.
5. Diego is coloring according to Mr. Stamp's directions.

The Chocolate Expulsion

Four girls (Nikki, Tara, Clarissa, and Cindy) all wanted to buy their friend Cleo gifts for her birthday. However, when they got to her house, they realized they had all given her chocolates and an extra gift. Chocolates: cherry cordials, chocolate truffles, Hershey's chocolate, or Reese's Pieces. Extra Gift: a movie, a CD, a board game, or makeup.

1. The person who bought the cherry cordials also bought a CD.
2. One person bought chocolates and an extra gift that both started with the same letter as her first name.
3. Tara did not give makeup.
4. Nikki was about to buy a board game for Cleo, but in the end decided that she should buy something else.
5. Clarissa did not buy a CD.
6. Tara bought Cleo's favorite chocolate.
7. Nikki was about to buy Cleo's favorite chocolate, but decided not to in the end.
8. Cleo's favorite chocolates are chocolate truffles.
9. Clarissa knew that Cleo wanted new mascara, so she decided to buy that for her.
10. Nikki bought Reese's Pieces.
11. Tara bought the board game Clue.

Murder Mystery

Four guests, Mrs. Red, Mr. Crimson, Lady Scarlet and Mr. Sienna, were all invited to an exclusive party at Brainteaser Mansion. However, during the long, dark night, the owner of the spectacular mansion, Mr. Death, was found dead in the library. Since no one apparently knew what happened, rumors were multiplying by the second, because everyone was suspected of killing him with a different weapon (Poison, Rope, Gun, or Dagger) and for very different motives (Money, Jealousy, Revenge, and Love). From the following clues, can you work out who killed him?

1. The person who "allegedly" used the poison was a female.
2. Mrs. Red's motive was "supposedly" money.
3. The motive of the person who used the rope was jealousy.
4. Mr. Crimson "apparently" used the gun but his motive wasn't revenge.
5. Lady Scarlet was believed to have used the rope.

The person who used the dagger is the real killer. Who did it?

Bake-Off

Determine the surnames of four people, their position in a cake-bake competition and what cake they baked.

The first names are: James, Ben, Vicky and Nigel

The surnames are: Jones, Stevens, Andrews and Best

Positions are: 1st, 2nd, 3rd and 4th

Cakes baked are: chocolate cake, cheese cake, fruit cake and sponge cake.

Clues:

1. James Best beat Vicky by two places.
2. Ben's fruit cake beat Mrs. Stevens' son, who came in 3rd.
3. The sponge cake, despite being a bit bland, got in the top three.
4. The judges obviously had a sweet tooth, as the chocolate cake came in 2nd place.
5. Jones's mother cried as she watched her son take 1st prize.

Friendly Pets

There are four friends: Anna, Bobby, Fred, and Gina. They each have a different pet, and they all adopted their pets in different ways. The pets include a cat, a dog, a fish, and a parrot. Their names are Cookie, Freddie, Millie, and Zuzi. One was a birthday present, one was found in the park, one was bought in the pet store, and one was a newborn in the family.

1. Anna named her pet after the friend she had a crush on.
2. Bobby is allergic to anything furry.
3. Fred's family had a pregnant pet before he got his.
4. These are all of the different pets: Zuzi, Gina's pet, the cat, and the pet from the pet store.
5. Before he had a home, this pet entertained customers by talking to them.
6. Gina loves to cuddle with her pet.
7. Bobby's friends always ask him if he won his pet at a carnival.
8. Someday, Cookie's real owner might find him and want him back.
