Mrs. Jill Courtney

I'm thrilled to be Green Elementary's new SSI teacher! This will be my 10th year teaching at Green Elementary with Allen ISD, and I couldn't be more thankful!!! I have previously taught in Plano ISD, and this is my 17th year in education. I graduated from the University of North Texas with my Bachelor's of Science degree in Elementary Education. I have my Kindergarten, ESOL, and Gifted & Talented certifications.

A little about me personally... My husband, Mike and I will celebrate our 30th wedding anniversary this Spring!!! We have three amazing children!!! Hunter will graduate in May with his Architecture degree from Virginia Tech. Hudson is in his Junior year studying Apparel Design & Merchandising at Colorado State University. Our youngest, Willow, is a Junior at Allen High School and is one of the Junior Lieutenants on the Allen Tallenette Drill Team.

I am looking forward to a phenomenal year!!!

This is my first year working as an SSI Aide and I am so excited to be in Allen ISD at Green Elementary! I graduated from the University of North Texas with my Bachelor's of Business Administration in Marketing and I am currently working on my Core EC-6th Elementary Education Certification through Texas Teachers. I have wanted to be a teacher since I was little so this is a dream come true for me to get started.

My fiance, Kevin, aka Mr. Alcosiba is in his first year of teaching here at Green as the 6th grade Science and Social Studies teacher. We got married in January and I am so excited to become Mrs. Alcosiba! I am a born and raised Texan, originally from Flower Mound, Texas where my parents still are.

This is going to be a great year and I can't wait!
