Arrows indicate the traffic flow of drop off and pick up lines

Indicates a crosswalk

Arrival

- The building opens at 7:30 am with supervision in the cafeteria for K, 1st and 2nd graders and in the gym for 3rd, 4th, 5th and 6th graders.
- We encourage students to meet their classmates in the designated areas by 7:40 am. Teachers will pick up their classes from the cafeteria and gym at 7:45 am. **Please remember that tardies will begin at 7:50 am.**
- Please see arrival map for the drop off locations. Only the arrival designated doors will be open from 7:30 – 7:50. All campus doors will lock at 7:50 am for security purposes.
- Be a great role model - use the crosswalks!

Dismissal

- Dismissal times: 2:50 pm (Kindergarten) 2:55 (1st – 2nd grade) 3:00 (3rd – 6th grade)
- Please see dismissal map for the pick-up locations.
- The front entrance is designated for daycare and bus ONLY.
- Each family should have a carpool sign that will need to have teacher's last name and student's last name printed on it.
- Please hang your carpool sign from your rearview mirror. Staff members rely on these signs to safely hand deliver your children to you when you enter the "Loading Zone". Please remain in your car – let us do all the work!
- If you have older children, please consider coming after their dismissal time, otherwise the "Loading Zone" will come to a stop.
- It is imperative when entering the carpool line to pull up directly behind the car in front of you and not leave large amounts of space as this leads to cars backing up on to Alder Drive.

Parent Waiting Zone

Younger Car Rider Side (Yellow Route)-

- For parents who walk to meet their child, there will be a "Parent Waiting Zone" outside on the younger car rider side of the building. This area will be marked with signs and cones.
- Please do not gather in the student loading zones and remove your child from their class line. All students must be accounted for by their teacher before being released from their class area.

Older Car Rider Side (Red Route)-

- Please wait for your child to safely walk across the crosswalk with a staff member.
- Please do not park in the front parking lot. For your safety and your child's safety, please refrain from walking through lanes of traffic where there is not a designated crosswalk.
