### **Are you attending a new elementary school next year?**

Come to Destination Night to get a better sense of the school your student will be attending in the 2023-2024 school year. Staff and teachers will be available to answer any questions you may have about the educational programs and opportunities offered, as well as our approach to learning and campus atmosphere. Take this opportunity to tour the campus and speak with teachers and administrators about what makes the school unique.
