Summer Camp 2018 Information

Allen ISD offers a variety of camps for children ages 36 months through 7th grade. Your child’s camp day will include an assortment of fun, engaging activities as well as outside recess. Summer camps will be conducted by Allen ISD staff.

When choosing a camp for your preschooler, look for camps based on the child’s age at the time of the camp. Campers should be potty trained and a change of clothes will be necessary for children ages 36 months - 5 years. Camps for preschoolers include a 15 minute quiet time. For elementary-age campers choose a camp for the grade just completed. You do not have to be a resident of Allen or a student in Allen ISD to attend our camps.

Camp locations will alternate between Cheatham Elementary (1501 Hopewell Dr.) and Bolin Elementary (5705 Cheyenne Dr.). Camp hours are 9:00 a.m. – 2:00 p.m. Campers will be signed in and out at the assigned classrooms. Your child will need to bring a sack lunch and drink Monday through Thursday. Each Friday pizza, popsicles and a drink will be provided for lunch. There is at least one cooking camp each week where the campers get to eat their projects. Please keep this in mind, especially if your child has food allergies. Please advise all camp teachers of any allergies. School nurses are not on campus during summer camp.

The fee for each camp is only $109 per camp/per student. The week of July 2-6 is a four day camp and the tuition for that week will be $90. Online registration begins April 16, 2018 at 5:30 am Central time/6:30 am Eastern Time. Registration directions can be found on the back cover of this brochure or online at www.allenisd.org/communityed. In-person and phone registration will begin on April 17, 2018. Phone registration uses the same system as online with the same service fees. The Community Education Office is located in the AISD Administration Building, 612 E Bethany Drive. If you have questions, you also can call 972-727-0502 or email sandra.lovesey@allenisd.org.

Refunds will be granted, less a $25 per camp administrative fee, when requested by noon, five working days prior to the start of camp. Cancellation dates can be found on the schedule page in the middle of the brochure and below. Camp tuition may instead be transferred to a later camp if registering for the same camper during any remaining weeks.

Camps are listed in alphabetical order within each age/grade level on the following pages. A schedule of all summer camps is located in the center of the brochure. Various camps throughout the summer allow students to bring technology devices to camp, i.e. digital cameras, handheld game devices, etc. Allen ISD is not responsible for any damage or theft of student owned technology tools.

Please take a few moments to look through this catalog to find something to meet the needs of your child.

Sincerely,

Sandra Lovesey
Allen ISD Community Education
ART ALL AROUND US
Let your little artist express themselves during a week of hands-on fun and creativity. Junior artists are invited to our studio as we create new masterpieces each day. We will work with watercolors, finger paints, and clay; so be ready to get messy! There will also be fun games and snacks to enjoy. Parents please provide an over-sized tee shirt to protect your camper's clothes. Nowell/Hernandez 101. June 11-15

BEETLES, BUGS, AND BUTTERFLIES
This camp is all about bugs. We will see how the "hungry caterpillar" turns into a beautiful butterfly, and how a "grouchy ladybug" learns to get along with her friends. We'll read stories, sing songs and make crafts to encourage the curiosity of the insect world. Come for a close up look at our buggy friends. Let your imagination fly! Nowell/Hernandez 201. June 18-22

BLAST OFF FOR SPACE
Do you have the heart of an astronaut? Are you curious about the planets, our moon, the sun and stars? Then get ready to blast off for a week of fun-filled activities while we explore space! We’ll learn what astronauts eat in space, make jet packs and maybe even meet an alien or two along the way! Moeller/Clark 601. July 16-20

MOVIN' AND GROOVIN'
Let your little performer shine in this fun music and movement camp. Our dancers will enjoy moving to favorite songs and groovin' to their own beat as they play an assortment of musical instruments. Comfortable clothes and shoes are a must for this active camp! Nowell/Hernandez 401. July 2-6

SHARKS & DOLPHINS & WHALES, OH MY!
Jump on board and dive into the ocean as we explore the wonders below the sea. This week we will experience ocean life through crafts, songs and books. Get your goggles on because it will be a splash! Greenberg/Bethke 501. July 9-13

SUMMER FUN
It’s summer, let’s celebrate! Put on your shades and get ready for a fun-filled week of crafts, sand, water tables, and even time for the ABC’s and 123’s! Come discover the fun of summer! Lambert/Smith 301. June 25-29

TROLL-REFFIC!
If your child loves trolls, this is the camp for them! Come join us for a week of fun while doing all things trolls! We will be making troll hair, troll paintings, and troll themed snacks. It will be a TROLL-effic week! Metivier/Leger 601. July 16-20

A BUG’S LIFE
Get off your couch and become a busy bug. Have fun moving, grooving and buzzing like bugs do. Explore the many colors and wonders bugs have to offer through crafts, songs and books. So come fly, crawl or jump on in. After all, it is all about a bug’s life this week! Greenberg/Bethke 104. June 11-15

ART EXTRAVAGANZA!
Come and join us as we explore art through our senses! Using fine motor skills, little artists will create their own masterpieces. We’ll focus on the process of making art using paint, glue, and air dry clay, as our little artists set their imaginations free! Moeller/Clark 604. July 16-20

BUILDERS, CREATORS, MOVERS AND SHAKERS
This STEAM based camp is sure to keep your little learner busy! We will focus on a different fairy tale every day and conduct experiments, problem solve, and use our imaginations through creative dramatics! Can we build a sturdy house so the Big, Bad Wolf won’t be able to blow it down? Or create a chair that won’t break for Goldilocks and the Three Bears? Each day they are sure to have fun building & creating, while focusing on science, technology, engineering, art, and math! Lang 702. July 23-27

CALLING ALL JUNIOR MAD SCIENTISTS!
There’s so much learning, playing, and exploring going on this summer. Little scientists will create snacks, games, projects, and experiments. Each day has its own theme and we’ll learn about different scientists. We’ll explore space, properties of matter, dinosaurs/fossils, Earth, and animals. Wright/Clark 705. July 23-27

CARS
Ka-Chow! Come cruise around with us like Lightening McQueen, Mater, Sally and any of your other favorite friends from Radiator Springs! Take friendship on the road as you build your very own race car and join us for a week of racing extravaganzas! Larey/Ritter 404. July 2-6

CHICKA CHICKA BOOM BOOM
This kindergarten readiness camp is only for those entering Kindergarten in August. Let us help prepare your child for Kindergarten this summer. We will be doing a lot of fun hands-on activities all week long. Our daily themes will cover the alphabet, numbers, patterns, story sequencing, following directions and rules of the classroom. We look forward to helping your child have fun and grow before the start of the school year. Barr/Loos 302. June 25-29 502. July 9-13

CONSTRUCTION ZONE
Calling all creative minds! In the Construction Zone, we will construct, create, analyze, and evaluate buildings, cars, trains, bridges, anything that can be constructed! Using a variety of building materials such as LEGO®, wood, clay, and tools, we will explore the possibilities that exist when we use our imaginations! Hilton/Clark 505. July 9-13

ENCHANTED TEA PARTY
Come join us on the magical journey of a princess! Your princess is sure to leave smiling with a fun packed week of tea parties, crafts, and games that are fit for a princess! Feel free to come dressed as your favorite princess! Lamberti/Smith 703. July 23-27

Hey, Harry Potter experts, join us for a magical week in the world of Hogwarts. After being sorted into houses, you will create your own wand, learn spells, duel with your friends, make potions, test your Harry Potter knowledge, enjoy some magical treats, and play a Quidditch game or two. An adventure awaits you if you board the Hogwarts Express! You don’t have to be a Prefect or a “Fifth Year,” but in order to stump the professors and have a shot at the House Cup; you’ll need more than a Muggle amount of knowledge. 520 - 1 July 9-13 Marsh/Janasak 520 - 2 July 9-13 Huffman/Nelson

STAINED GLASS ART
Have you ever wanted to melt metal and cut glass? Students will learn the copper foil method of stained glass art as they cut, grind, and create their own 8x10 Stained Glass Project. Each project will be mounted in a wood frame for display. All supplies are provided. Parents are amazed each year with what the children can create! Plan to attend all 5 days of camp to complete your project. Students MUST have completed 4th grade to be in this class.

Note: An additional $20 supply fee will be charged for this class. This fee is to cover the cost of a wood frame, glass, copper foil, diamond grinder, safety glasses and lead solder that each student will use for their project. If your child has a specific design they want to complete, email Mrs. Guest with their idea two weeks before camp starts: Susan.Guest@allenisd.org. Guest/Flemmer 120. June 11-15 220. June 18-22

STAINED GLASS ART – EXPRESS!
Have you ever wanted to melt metal and cut glass? Students will learn the copper foil method of stained glass art as they cut, grind, and create their own 8x10 Stained Glass Project. Each project will be mounted in a wood frame for display. All supplies are provided. Parents are amazed each year with what the children can create! This is a 4 day camp. Compared to the 5 days camp, projects will be simplified so they can be completed in 4 days. If you cannot attend all 4 days, this is not the camp for you! Students MUST have completed 4th grade to be in this class.

Note: An additional $20 supply fee will be charged for this class. This fee is to cover the cost of a wood frame, glass, copper foil, diamond grinder, safety glasses and lead solder that each student will use for their project. Animations & Games Using Alice
Alice uses drag and drop programming, which means there is no dealing with syntax errors! You can convert your idea to code quickly and see it in action! You can code 3D animations or games with ease. Alice comes with a powerful graphics library that minimizes coding effort. Visit www.utdallas.edu/~jeyv/alice to preview the content. We will begin with a short lecture on fundamental programming concepts, then start digging into the Alice tool. We will work on a series of examples throughout the camp.

Animations & Games Using Scratch
MIT Scratch is a GUI based programming environment. While it has a friendly interface that appeals to young children, it has tons of functionality! You can do 2D animations of objects, create cool drawings, make a character sing a tune, develop an interactive game (control it with various inputs including voice!) and even narrate a story with images! Go to scratch.mit.edu to check out the tool and lots of examples. We will use a specific list of examples shown in www.utdallas.edu/~jeyv/scratch.

The same web-based registration process as last year will be used. If you created an account for previous Community Education (or Kids Club) events use that account. Log in ahead of registration to ensure your information is correct and that you know your password. If you’re new to Community Ed, complete the account setup process and add each student in order to register for an event. Complete the account set up process prior to the start of registration in case you encounter any technical issues.

1. Visit www.allenisd.org/communityed. Click the registration link on the Community Education homepage.
2. If you have already set up an account to purchase other Community Education events, use this account login information. Make sure you have listed/registered all your family members.
3. If your children attend Allen ISD Kids Club, use your account login that you have set up with them to view and purchase Community Education products.
4. If it’s your first time visiting our site, visit www.allenisd.org/communityed and follow the directions for first-time visitors to the site and signup/create an account.
5. The “shopper” is the parent.
6. Once you’ve created an account, add family members (your children) that will be registering for camps. With this software you register each camper in the various camps. For each specific camp, each child can only be registered once (in other words you can’t buy multiple quantities of the camp for your child and his friends)
7. If you’ve forgotten your password, call 972-727-0502 or email: sandra.lovesey@allenisd.org.
