Substitute teachers who are retired from active teaching anywhere in Texas and are receiving retirement income from the Teacher Retirement System of Texas should report this to the Allen ISD Payroll Department. For TRS retirees, a substitute is a person who serves on a temporary basis in the position of a current employee. **If the position is vacant, the retiree must seek prior approval from the district before accepting the position.** Individuals are responsible for contacting TRS to identify any ramifications, such as loss of benefits that may occur due to employment as a substitute.

Services rendered as a substitute may qualify for service credit with the Teacher Retirement System of Texas provided such service is for at least 90 days in a school year. Eligible individuals are responsible for contacting the Teacher Retirement System of Texas for further information.

Bad Weather Closing

The district may close schools for a full day or part of a day because of bad weather or emergency conditions. When such conditions exist, the superintendent will make the official decision concerning the closing of the district's facilities. When it becomes necessary to open late or to release students early, information will be provided on the district's Facebook page and on the district's web site at: www.allenisd.org. Additionally, school officials will notify radio and television stations.

Substitutes, who have job assignments on school days that have been cancelled due to inclement weather, **will not be paid**. However, the consecutive day count will continue after the missed day for substitutes in long-term assignments.

SECURITY

Visitors in the Workplace

All visitors are to enter any district facility through the main entrance and sign in or report to the building's main office. Authorized visitors will receive directions or to be escorted to their destination. Employees who observe an unauthorized individual on the district premises should immediately direct him or her to the building office or contact the administrator in charge. Authorized visitors will receive a sticker ID badge that should be visible at all times.

Employees and students who use the systems are required to abide by the provisions of the district's communications systems policy and administrative procedures. Failure to do so can result in suspension or termination of privileges and may lead to disciplinary action. Substitutes may have access to certain technology as needed for instructional purposes. The campus technician will provide the substitute with access assistance. At no time should a substitute gain access to technology equipment under a student or teacher's access code/passwords.

Release of Children

Any outsider who comes to the classroom for information about a child or who comes to the classroom asking for a child to be released from school, must be directed to the principal's office. In any event, children will **not** release from the classroom without official notice from the building principal.

The district has adopted a bloodborne pathogens exposure control plan to protect employees who are at risk of exposure to blood or other materials potentially containing bloodborne pathogens in connection with exposure to sharps. Sharps are defined as objects used or encountered in a health care setting that can be reasonably anticipated to penetrate the skin or any other part of the body and to result in an exposure incident.

The district has the right to ask substitutes to leave the campus or change their attire if it is of such nature that it provokes unfavorable comment.

School Property

It is expected that the substitute will maintain good order wherever assigned, and create such conditions as are conducive to a good learning situation. Cell Phone Use

Substitutes should silence their cell phones while on the job and in the classroom.

Your Personal Telephone Number

Occasionally, we need to give your personal telephone number to a teacher who would like to give you personal instructions. Please call Human Resources if you DO NOT WISH YOUR NUMBER TO BE GIVEN OUT.

Dismissal of Substitutes

Substitutes are employed at-will and may be dismissed without notice, a description of the reasons for dismissal, or a hearing. If the Substitute Office receives a negative complaint including, but not limited to, one or more of the following, the substitute or non-contract employee may be removed from a site, classroom or deactivated from the substitute system:

- Failure to follow lesson plans and perform all duties of the regular classroom teacher in a prompt and efficient manner;
- Falsification of information on documents used for consideration of employment;
- Failure to comply with board policy or administrative policy;
- Willful and repeated failure to comply with official directives from supervisors;

- Distribution of non-related school materials w/o permission from the building principal;
- Commission of an act which would contribute to a felony or misdemeanor involving moral turpitude or would constitute lewdness, indecency, or pornography;
- Commission of an act which would constitute any crime involving theft, robbery, embezzlement, misapplication of funds, fraud or organized crime.

Substitutes with three or more site exclusions may not be offered a Letter of Reasonable Assurance or request to return the following school year.

Unemployment Compensation

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits under the Texas Unemployment Compensation Act. Substitutes are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have a reasonable assurance of returning to service.

Job Assignment

Due to the needs of a campus, a substitute may be asked to work a different assignment than the one that he/she was originally assigned. Substitutes should be flexible and to consider the needs of the campus before declining a reassignment.

All multi-day assignments are at-will. A campus reserves the right to end any multi-day substituting assignment, including long-term assignments, at any time with or without cause if the campus determines the removal is in the District's best interest.

rev. 1.22.21

Roles and Responsibilities of the Substitute

Please do not park in the front of the school for which you will be working. Please park in the teacher parking lot or where the site instructions have designated.

Report to the school office, sign in, and pick up a generic identification badge and your substitute folder. Your direct contact at the school will be the Site Substitute Specialist.

Ask if there are expected schedule changes for the day (fire drills, assemblies, etc.). Acquaint yourself with fire and emergency drill regulations, assigned exits, and refuge area procedures.

Check the teacher's box to locate lesson plan book (may be on the teacher's desk or attached to your job assignment in the sub system), announcements, special activities or changes in the school schedule for the day, attendance sheets (may be at attendance office or with lesson plans in the room), seating charts, and today's list of excused absences (field trips, etc.). If you are unable to locate your lesson plans please speak with your Site Substitute Specialist or campus administrator.

Organize Before Class Begins

Obtain access to the room and locate/review the lesson plan (including confidential student accommodations required for Section 504 and/or Special Education students) and seating chart. Locate or obtain forms (hall passes, library passes, nurse passes, etc.), textbooks, teacher's edition, and orient yourself with the classroom and telephone system.

Avoid changing the seating arrangement or any other part of the classroom organization except for temporary grouping of pupils for instruction or committee work.

Supervision of halls and corridors is a responsibility of ALL teachers and substitutes especially when students are coming into the building or leaving the building at bell time.

Locate and review school and class rules and consequences. If you find there are none posted, be ready to state your rules and behavioral expectations.

Introduce yourself to adjacent teachers and/or team leaders.

Under no circumstances should a substitute criticize a teacher, campus, classroom, or district policies outside the campus. This is due to the period of observation has been of such short duration that accurate conclusions cannot be reached. Please direct any concerns to the campus administrator(s).

All schools within the Allen Independent School District are operated under the policies of the Board of Education. A substitute teacher is in a position to establish good school/community relationships for the district and for the individual campus at which he or she will be teaching.

When Your Class Begins

These are visible indicators to students and often set the tone for student behavior. Exhibit enthusiasm, confidence, and consistency and treat everyone with respect.

Greet students at the door as you are monitoring the halls during passing periods.

Learn the names of the students as quickly as possible. Designate student assistant(s) to aid with various organizational tasks (may be teacher recommended or selected by observing students entering class).

Unless requested by the regular teacher, do not assign written work and leave it to be graded. If there is written work assigned which is beyond the lesson plans of the regular teacher, it should be graded and left for examination. On long-term assignments, such work should be reviewed and recorded as directed.

Perform ALL assigned duties for the day. In elementary schools: PE, library, recess, lunch, playground, bus duties, etc. Substitutes are to teach all class periods. **PLANNING PERIODS ARE NOT FREE TIME** therefore please report to the school Substitute Specialist for instructions. If the substitute is teaching for an extended time, he/she should attend all scheduled meetings. In case of doubt, make inquiry of the building principal.

Review class rules or if none are found posted, be ready to state your rules and behavioral expectations. Make sure students understand what is expected of them. Use praise generously and show all students respect.

Do not leave students unattended.

Move around the room to monitor student activity during presentations, questioning, independent and group work (MOVE among all students and groups continuously).

Substitute teachers are to be an active part of the classroom instruction. Reading personal materials (i.e. newspapers, magazines, books, etc.), texting on a cell phone, sleeping, working on personal work, etc., is unacceptable and will not be tolerated. Substitutes are not to use the teacher computer without prior authorization from the Human Resource office.

Gather, label, and retain all student work assignments for the returning teacher.

A substitute's personal views on certain subjects (ex: religion, politics, drugs, etc.) should not be brought into conversation with students.

With student assistance, take the last minutes before class change (secondary level) or the end of various activities (elementary level) to straighten and pick up the supplies or equipment you have used and return it to its proper place.

Lesson plans provided by the regular teacher are to be followed as closely as possible, and the regular class routine should be maintained. Please leave a written note for the teacher relating how much of the lesson plan was completed and list any special problems and praises that might have occurred during the day.

It is always a good idea to keep written notes throughout the day to avoid a last minute rush (lessons taught, student participation, behavior, etc.). The teacher needs to know what portion of the lesson each individual class was able to complete.

Keep a door open when you are alone with a student.

Students are not excused to leave school under any circumstances without office permission.

Remain on campus unless school policy allows off campus lunch, then sign out at the office when leaving campus and back in when returning.

End of Day

Organize all written information you need to leave for the returning teacher.

No written communications should be sent to parents without permission from the principal. Any long-term substitute teacher who feels it necessary to arrange for a parent conference must consult with the Principal prior to any conference with a parent or guardian.

Most Teachers and Teacher Assistants are assigned various duties during certain times of the day, (i.e. recess duty, bus duty, hall monitor, etc.) All substitutes are expected to perform those assigned duties.

Students may not be kept after hours.

If serious problems such as student threats, weapon use threats, and first hand disclosures involving student physical and/or sexual abuse arise during the day, notify the school office immediately. This is good protection not only for you and other students, but the school and district as well.

Return all items issued from the school office when you sign out. It is expected that the substitute will maintain good order wherever assigned, and create such conditions which are conducive to a good learning situation.

Report to the school office and sign out.

ACCESSING ABSENCE MANAGEMENT ON THE PHONE

In addition to web-based, system accessibility, you can also find and accept available jobs, manage personal information, change your PIN number, and more, all on the phone.

When You Call into Absence Management

To call, dial 1-800-942-3767. You'll be prompted to enter your ID number (followed by the # sign), then your PIN number (followed by the # sign).

When calling the Absence Management system, you can:

- Find available jobs – Press 1
- Review or cancel upcoming jobs – Press 2
- Review or cancel a specific job – Press 3
- Review or change your personal information – Press 4

When the Absence Management System Calls You

If an available job has not been filled by another substitute two days before the absence is scheduled to start, the system will automatically begin to call substitutes and try to fill the job.

Keep in mind, when the system calls you, it will call about one job at a time, even if you're eligible for other jobs. You can always call in (see "When You Call into Absence Management" section above) to hear a list of all available jobs.

Note: When the system calls, be sure to say a loud and clear "Hello" after answering the call. This will ensure that the system knows you picked up the call.

When you receive a call, you can:

- Listen to available jobs – Press 1
- Prevent Absence Management from calling again today – Press 2
- Prevent Absence Management from ever calling again – Press 9

If you are interested in the available job, Press 1. You will be asked to enter your PIN number (followed by the # sign). The Absence Management system will list the job details, and you will have the opportunity to accept or reject the job.
