LOCAL INNOVATION PLAN

Summary / Background Information:

House Bill 1842 provides that after a Board votes to pursue designation of the district as a District of Innovation, a Board-appointed Local Innovation Committee will meet to develop a Local Innovation Plan in collaboration with district leaders. The Board voted to pursue the designation of District of Innovation with a Resolution approved at the May 16th Board Meeting. The Allen ISD Local Innovation Committee met on July 19th to begin development of the plan.

Dr. Zoeller will present an update to the Board of the Committee's progress and seek input from the Board toward development of the plan. The next Local Innovation Committee meeting is scheduled August 10th. Upon completion of the plan, the Local Innovation Committee and District Improvement Committee will meet in a required joint meeting on September 13th to review and finalize the plan. The Local Innovation Committee will present the final plan to the Board at the October 24th Board meeting.

Administrative Recommendation: None. Report only.
