

Announcements 8/20/19

Pledges and Moment of Silence

- If you are interested in being an announcer or part of the crew for video announcements this year we will have tryouts this on Wednesday and Thursday before and after school. The sign-up sheet is available in the library. If you have any questions stop by the library and talk to Mrs. LeFevre.
- Students, if you would like to help SPARK club with the El Paso Student notes project, we will be meeting after school today and Wednesday in Mrs. Pannell's room D116 to work on this. There is no late bus this week, so be sure you have transportation home. See Mrs. Pannell with questions.
