Project Purpose

What is the problem, need, or opportunity that this grant will address? Explain **what students will know and be able to do** as a result of this project and/or how a problem will be addressed and/or how a situation improved because of the grant. (500 words or less.)

The Rountree Media Team produces the Morning Announcements live daily for our student body. The "Live from Rountree Elementary" Project will allow our team to visit Allen High School and tour the Eagle Studio to view the production of their school announcements.

Project Description

How will the project or program be implemented? Describe activities and tasks. Who is the target population and in what ways will they benefit? (500 words or less.)

The Media Team would bus to Allen High School and back, viewing the production of the school announcements and touring the studio. We would stop for lunch after the tour to process, discuss, and reflect on what we saw. Our Media Team will then use what we have learned to enhance our Morning Announcements and have a more professional student production. This would impact all of the students at Rountree as we start out every morning with our "Live from Rountree Elementary" Media Team.

Project Summary

Provide a brief summary for use on the Foundation's website and social media. (2-3 brief sentences)

"Live from Rountree Elementary" would allow our student Media Team to improve the quality of their daily production by getting advice and ideas from the Allen High School K-Eagle media team. We would tour the studio, get advice from the high school students, and view the production of one of the K-Eagle programs.

Allen ISD Goals/ TEKS

Which Allen ISD goals/TEKS does this project support? Provide only two or three examples.

Rountree Elementary has always been known as the school "Where Everybody is Somebody". This project allows our 5th and 6th graders to become an integral part of the school itself and make a difference.

Measurement

What specific measurements will be used to evaluate the effectiveness of the project? (500 words or less)

The enthusiasm of our student Media Team and the improvements/changes to our "Live from Rountree Elementary" announcements will allow us to judge as to if this project has been successful.

Teaching Methods

What teaching methods will be used to implement this project? (500 words or less.)

We will rely on the Allen High School Media Team to answer questions and give advice to our students. The sponsors will then facilitate a roundtable lunch discussion on what we can do to enhance our morning announcements.

Timeline

What is the project timeline and the date of implementation?

April-May 2018

Curriculum/System Support

Explain how this idea or project enhances/supports Allen ISD curriculum or existing systems.

Students who participate in the Rountree Media Team develop a good sense of teamwork, develop more responsibility, and learn basic public speaking skills. All of these are life skills that will help our team in their future educational and professional endeavors.
