Project Purpose

What is the problem, need or opportunity that this grant will address? Describe the impact of this project on your students. (500 words or less.)

Our third grade team wants our students to take ownership of their citizenship by being more involved and knowing the history of Allen. We want students to know that government choices do not happen to them but that they play a role in shaping decisions about our city's future. What better way than to explore Allen's past and learn more about the people who founded our city. The concept of past, present and future helps encourage active participation in their city.

Project Description

How will the project or program be implemented? Describe activities and tasks.
 Who is the target population and in what ways will they benefit? (500 words or less.)

The target population is Rountree third grade students. They will benefit from the experience by gaining an appreciation of the hard work of Allen citizens who came before them.

Project Summary

Provide a brief summary for use on the Foundation's website and social media. (2-3 brief sentences)

We will be taking our third grade students on an A Trip Back in Time to visit the Allen Heritage Center. Students will learn more about individuals who shaped the formation of Allen, look at artifacts and explore what life was like in the community when Allen was first founded.

Allen ISD Goals/ TEKS

Which Allen ISD goals/TEKS does this project support? Provide only two or three examples.

The Allen ISD TEKS that support this field trip are:

3.1A- Describe how individuals, events and idea have changed communities past and present.

3.2A-Identify reasons who people have formed communities including a need for security, religious freedom, law and material well being.

3.2B-Identify ways in which people in the local community and other communities meet their needs for government, education, communication, transportation and recreation.

Measurement

What specific measurements will be used to evaluate the effectiveness of the project? (500 words or less)

Students will complete a project summarizing their first hand experience of Allen's history with the option to use technology, or create a multimedia presentation.

Teaching Methods

What teaching methods will be used to implement this project? (500 words or less.)

We will preview our experience by viewing the Allen Heritage website to become more aware of what we see. Also we will use the Allen ISD curriculum to build prior knowledge of the TEKS before experiencing the real world application.

Timeline

What is the project timeline and the date of implementation?

The project timeline for attending the Allen Heritage Museum will be in the Fall of 2019.

Curriculum/System Support

Explain how this idea or project enhances/supports Allen ISD curriculum or existing systems.

This field trip will enhance the Allen ISD curriculum by providing the real world knowledge and experience from seeing first hand by learning about the past, present and future of the city of Allen. Our purpose is creating a stronger bond between our students and their community, Allen Texas.
