About Me!

I graduated from The University of North Texas in Denton earning my Bachelor's Degree, and my EC-6 Core Subjects with ESL Supplemental Certification.

I am Texas raised and have lived in the DFW area for the past 7 years. In my spare time I like to spend time with my friends, cook, eat at new places with my fiancé, watch movies, and spend time outdoors with my puppy, Lulu. I am so excited to learn and grow with my students this year. I know that with hard work, kindness, and high expectations, we can accomplish anything we set our minds to!

welcome to 2ND GRADE
