Meet the TEACHER

A LITTLE ABOUT ME

Hello! My name is Casey Thurman and I am thrilled to be your child's 2nd grade teacher for the 2021-2022 school year! Guess what? Second is the best grade yet! I can't wait to get to know you and your student. This will be my third year of teaching and we are going to have a terrific year together full of learning new things!

I am Texas raised and have lived in the DFW area for the past 8 years. My husband Jorge and I were married this past April and live here in Allen. In my spare time I like to read, eat at new places, go to the movies, and take outdoor walks on the trails with our dog, Lulu.

I am so excited to learn and grow with my students this year. I know that with hard work, kindness, and high expectations we can accomplish anything we set our minds to!
