Application Questions and Answer

Question	Answer
Preferred name/name that you go by:	Elizabeth
Best phone number to reach you at:	+19723423072
Campus	Bolin Elementary School
Grade(s)	Kindergarten;1;2;3;4;5;6
I have co-applicants:	No
Please provide your work-related Facebook contact information.	
Please provide your work-related Twitter contact information.	
Name of Grant	Math on the Move (cont.)
Please select the MAIN curriculum area your grant addresses.	Math – Elementary

Does your grant have a technology component?	No
Will other campuses be involved/impacted?	No
Will other grades be involved/impacted?	Yes
How many students will be involved in this grant?	400
Are there any additional funds available for this grant?	No
What is the problem, need or opportunity that this grant will address? Describe the impact of this project on your students.	This project will allow 6th grade math students to travel to the younger grade levels and work with students on different math concepts. Students will work in small groups providing hands on, fun activities. This will be a great opportunity for the 6th grade students to explain math concepts in their own words, allowing them to deepen their understanding as well as the younger students.
How will the project or program be implemented? Describe activities and tasks. Who is the target population and in what ways will they benefit?	K-5 students will have an opportunity to work with 6th grade students on a math concept. This provides leadership opportunities for the 6th graders as well as an opportunity for the younger students to experience concepts in a different way.
Provide a brief summary for use on the Foundation's website and social media.	Math on the Move will provide Bolin's sixth grade students a leadership opportunity to plan and implement fun, engaging math lessons to share with younger students.
Which Allen ISD goals/TEKS does this project support? Please provide 2 or 3 examples.	compose/decompose up to 10 for kinder Fraction standards for grades 1-5
What specific measurements will be used to evaluate the effectiveness of the project?	Student evaluations Teacher evaluations Informal assessment (observing students as they prepare, problem solve, share experiences)
What teaching methods will be used to implement this project?	Students will read over and prepare the lesson. They will follow the plan and deliver the lesson to groups of 4 to 5 students.
What is the project timeline and the date of implementation?	Students will teach the lesson during the spring semester.
Explain how this idea or project	Allen ISD encourages students to take initiative and become leaders. This will allow for

enhances/supports Allen ISD curriculum or existing systems.	students to grow as leaders and become more confident in their learning.
Total Grant Budget Requested:	479.84
	

Project Budget Set Number 1

Question	Answer
Item Type	Instructional Supplies or Resources
List item to be purchased under item category:	Collect and Count Number Rods
Unit Cost	39.99
Quantity	4
Total cost of items in this category:	159.96

Project Budget Set Number 2

Question	Answer
Item Type	Instructional Supplies or Resources
List item to be purchased under item category:	Fractions Discovery Can
Unit Cost	19.99
Quantity	4
Total cost of items in this category:	79.96

Project Budget Set Number 3

Question	Answer
Item Type	Instructional Supplies or Resources
List item to be purchased under item category:	Building Fractions Activity Center
Unit Cost	39.99
Quantity	4
Total cost of items in this category:	159.96

Project Budget Set Number 4

Question	Answer
Item Type	Instructional Supplies or Resources
List item to be purchased under item category:	Measurement Conversion Discovery
Unit Cost	19.99
Quantity	4
Total cost of items in this category:	79.96
