

Foundation For Allen Schools Grant Application

Scholarship Fund Amount: \$0

Application #: AP231494

Applicant First Name: Stacy

Applicant Last Name: Palmertree

Applicant Email Address: stacy.palmertree@allenisd.org

Gender:

Cell Phone #:

High School:

Post Secondary School:

Application Status: Submitted

Application Questions and Answer

Question	Answer
Preferred name/name that you go by:	Stacy Palmertree
Best phone number to reach you at:	+14697348190
Campus	Bolin Elementary School
Grade(s)	1;2;3;4;5;6
I have co-applicants:	Yes
Please provide your work-related Facebook contact information.	PE at Bolin Elementary
Please provide your work-related Twitter contact information.	@BlazerPalms
Name of Grant	Marathon Mania
Please select the MAIN curriculum area your grant addresses.	Physical Education

Does your grant have a technology component?	Yes
Will other campuses be involved/impacted?	No
Will other grades be involved/impacted?	Yes
How many students will be involved in this grant?	90
Are there any additional funds available for this grant?	No
<p>What is the problem, need or opportunity that this grant will address? Describe the impact of this project on your students.</p>	<p>Marathon Mania will help motivate my students that are members of our Bolin Jogging Club and implement an easier way to track our miles. My students love having goals to meet and seeing how many laps they get each day and miles for the week. My younger students take a longer time to get their long term goals while my older students can breeze past their short term goals and hit their long term goals quickly. With Marathon Mania, I would be able to celebrate all my students' milestones. I would also be able to easily and quickly track my students laps around our two tracks and tell them how many miles they have gotten with just a click of a button. With less wait time in the gym after school before we head outside for a run, my students would also be able to have the opportunity to get more laps each day. I would use a program called EZScan to track the students laps and miles each day. This is an app that allows us to scan a barcode each time a student passes the teacher and volunteers. When synced on WIFI, it will automatically tally the overall miles for each student. This app will allow the students to see their mileage before they leave Jogging Club at the end of their session. Students can also see how weather, temperature, fatigue, and eating habits can affect their runs. Using Toe Tokens and 100 Mile Club, I will be able to motivate the students, help them set goals, and reward them when they meet their goals. The students love being celebrated before we head outside to run and usually try to run more laps when they have just received a mileage award.</p>
	<p>My jogging club meets Monday through Thursday each week from the beginning of</p>

<p>How will the project or program be implemented? Describe activities and tasks. Who is the target population and in what ways will they benefit?</p>	<p>October to the end of April. I have about 90 students that range from Kindergarten to 6th grade. With so many students in my jogging club, I use parent volunteers to help me throughout the year. We would use the EZScan to quickly log laps each day with the K-6 students. This will also allow more run time and cut down on lines that might build up when coming around to mark a hand or index card. Each week I hand out our mileage awards. The students are able to see their accomplishments from last week and see if they have hit any of their larger goals for the entire season. With the ease of the EZScan program, it will be easier to track my students' progress and hand out their charms and their 100 Mile Club awards.</p>
<p>Provide a brief summary for use on the Foundation's website and social media.</p>	<p>Marathon Mania helps to provide a quick and easy way to track Bolin Jogging Club laps. It also provides our Jogging Club with incentives and awards when we meet our smaller mileage goals and our Marathons throughout the year.</p>
<p>Which Allen ISD goals/TEKS does this project support? Please provide 2 or 3 examples.</p>	<p>Physical Education TEKS B-Kindergarten (3) Physical activity and health. The student exhibits a health enhancing, physically-active lifestyle that improves health and provides opportunities for enjoyment and challenge. The student is expected to: (A) describe and select physical activities that provide opportunities for enjoyment and challenge; (E) describe the benefits from involvement in daily physical activity such as feel better and sleep better.</p> <p>Physical Education TEKS B-Second Grade (3) Physical activity and health. The student exhibits a health enhancing, physically-active lifestyle that improves health and provides opportunities for enjoyment and challenge. The student is expected to: (A) describe and select physical activities that provide opportunities for enjoyment and challenge; (B) participate in moderate to vigorous physical activities on a daily basis that cause increased heart rate, breathing rate, and perspiration; (C) participate in appropriate exercises for flexibility in shoulders, legs, and trunk; and (D) lift and support his/her weight in selected activities that develop muscular strength and endurance of the arms, shoulders, abdomen, back, and legs such as hanging, hopping, and jumping.</p>

What specific measurements will be used to evaluate the effectiveness of the project?	Success of this project would be seen in how many students meet their 1st, 2nd, 3rd, and 4th marathons. Progress will also be tracked through participation in Rudolph Run, Allen Eagle Run, and Bolin Color Run and seeing how their times and distances have improved from practice each week.
What teaching methods will be used to implement this project?	The teacher and volunteers will model good running/walking behaviors. We will show students that setting personal goals, both short and long term, are important. We will help students be successful with the goals they set by encouraging them to come each week and sharing our personal running stories to keep them motivated.
What is the project timeline and the date of implementation?	We will start meeting on the first Monday of October 2020. We will run weekly through the end of April 2021. Students will be encouraged to run in the Rudolph Run, Eagle Run, and Bolin Color Run.
Explain how this idea or project enhances/supports Allen ISD curriculum or existing systems.	The students will learn how to set goals and learn how to support one another to achieve their goals. This past year I have seen my older students take on leadership skills and help mentor the younger students. Marathon Mania will really support our community and family atmosphere that we strive to achieve at Bolin. The students love sharing their pride once they receive a mileage award. With the EZ Scan system, we will be more efficient while eliminating downtime so students can continually be active.
Total Grant Budget Requested:	1171.02
	
Please upload your technology approval here:	Grant 2020.docx

Additional Co-Applicants Set Number 1

Question	Answer
First Name	Jacinda
Last Name	Owen

Email	jacinda.owen@allenisd.org
Campus	Bolin Elementary School
Grade:	Kindergarten;1;2;3;6;5;4

Additional Co-Applicants Set Number 2

Question	Answer
First Name	Thomas
Last Name	Swinden
Email	thomas.swinden@allenisd.org
Campus	Bolin Elementary School
Grade:	Kindergarten;1;2;3;4;6;5

Project Budget Set Number 1

Question	Answer
Item Type	General Supplies
List item to be purchased under item category:	EZ SCAN Renewal
Unit Cost	149
Quantity	1
Total cost of items in this category:	149

Project Budget Set Number 2

Question	Answer
Item Type	General Supplies
List item to be purchased under item category:	100 Mile Club package
Unit Cost	10
Quantity	90
Total cost of items in this category:	900

Project Budget Set Number 3

Question	Answer
Item Type	Other Expenses
List item to be purchased under item category:	shipping on 100 Mile Club
Unit Cost	20
Quantity	1
Total cost of items in this category:	20

Project Budget Set Number 4

Question	Answer
Item Type	General Supplies
List item to be purchased under item category:	Runner token
Unit Cost	12.49
Quantity	100
Total cost of items in this category:	12.49

Project Budget Set Number 5

Question	Answer
Item Type	General Supplies
List item to be purchased under item category:	5K Medal
Unit Cost	20.49
Quantity	100
Total cost of items in this category:	20.49

Project Budget Set Number 6

Question	Answer
Item Type	General Supplies

List item to be purchased under item category:	Toe tokens
Unit Cost	6.95
Quantity	50
Total cost of items in this category:	11.58

Project Budget Set Number 7

Question	Answer
Item Type	General Supplies
List item to be purchased under item category:	Ten Toes
Unit Cost	20.40
Quantity	100
Total cost of items in this category:	20.40

Project Budget Set Number 8

Question	Answer
Item Type	General Supplies
List item to be purchased under item category:	Half Marathon
Unit Cost	5.79
Quantity	50
Total cost of items in this category:	11.58

Project Budget Set Number 9

Question	Answer
Item Type	General Supplies
List item to be purchased under item category:	Marathon token
Unit Cost	5.79
Quantity	25
Total cost of items in this category:	5.79

Project Budget Set Number 10

Question	Answer
Item Type	General Supplies
List item to be purchased under item category:	50 Miles token
Unit Cost	5.79
Quantity	25
Total cost of items in this category:	5.79

Project Budget Set Number 11

Question	Answer
Item Type	General Supplies
List item to be purchased under item category:	75 Mile token
Unit Cost	5.79
Quantity	25
Total cost of items in this category:	5.79

Project Budget Set Number 12

Question	Answer
Item Type	General Supplies
List item to be purchased under item category:	100 Mile token
Unit Cost	5.79
Quantity	25
Total cost of items in this category:	5.79
