Post Secondary School:

Application Status: Submitted

Application Questions and Answer

Question	Answer
Preferred name/name that you go by:	Rue
Best phone number to reach you at:	+14696752700
Campus	STEAM Center
Grade(s)	11
I have co-applicants:	No
Please provide your work-related Facebook contact information.	
Please provide your work-related Twitter contact information.	@ruebethcampbell
Name of Grant	STEAM Center R&R Room
Please select the MAIN curriculum area your grant addresses.	Special Education

Does your grant have a technology component?	No
Will other campuses be involved/impacted?	No
Will other grades be involved/impacted?	Yes
How many students will be involved in this grant?	410
Are there any additional funds available for this grant?	No
What is the problem, need or opportunity that this grant will address? Describe the impact of this project on your students.	The STEAM Center has an R&R room located within the Special Services Testing Center on the STEAM Campus. The room is available for students that need a place to go when anxious, upset, or stressed. The Testing Center is staffed by a Special Education Paraprofessional and supervised by the campus Special Education teacher. The goal of the project is to provide soft lighting and sensory items in the R&R room to aid with calming students in need.
How will the project or program be implemented? Describe activities and tasks. Who is the target population and in what ways will they benefit?	The project will be implemented by the Special Education teacher and the Testing Center paraprofessional to add seating, lighting, and sensory manipulatives to the R&R room. The room will be accessible to STEAM students who are upset or experiencing anxiety or stress. The room is frequented by students who suffer from emotional issues or anxiety.
Provide a brief summary for use on the Foundation's website and social media.	The STEAM Center R&R Room is within the STEAM Testing Center. The R&R Room is a calming environment to soothe students experiencing anxiety or stress in a supervised environment.
Which Allen ISD goals/TEKS does this project support? Please provide 2 or 3 examples.	The STEAM Center R&R Room fulfills the accommodation of "Safe Place" provided to Special Education or 504 students who suffer from anxiety issues. The R&R Room is an example of increasing the number of concerned adults interacting with students.
What specific measurements will be used to	The effectiveness of the project will be measured by the number of students access

evaluate the effectiveness of the project?	the space, how long they stay, and by a survey given to students who use the room regarding it's effectiveness.
What teaching methods will be used to implement this project?	Staff will discuss with students that come to the R&R Room why they felt the need to use the space. Staff will document the concerns and forward to the appropriate counselor or case manager as needed.
What is the project timeline and the date of implementation?	The timeline for the project is 30 days from receipt of funds.
Explain how this idea or project enhances/supports Allen ISD curriculum or existing systems.	The STEAM Center R&R Room provides a safe, supervised place fo students experiencing anxiety or stress to find support. The space adds a layer of support to increase the number of concerned adults working with the students in need.
Total Grant Budget Requested:	263.64
