Project Information Continued

Provide a brief summary for use on the Foundation's website and social media.	Thank you Foundation for Allen Schools for providing manipulatives to support our students learning!
How will the project or program be implemented? Describe activities and tasks. Who is the target population and in what ways will they benefit?	The Manipulatives will be kept in the resource teachers classrooms. We will purchase manipulatives for all subjects and grades in order to benefit the greatest number of students. The will be used daily in the classroom, during intervention, and during tutoring.
What is the problem, need or opportunity that this grant will address? Describe the impact of this project on your students.	Manipulatives will address the need for SPED learners to use hand on activities in order to make meaningful connections and increase retention of information. Manipulatives aid directly in the cognitive process and engage students increasing interest and enjoyment.
Which Allen ISD goals/TEKS does this project support? Please provide 2 examples.	Varies with manipulative: Teks: 2.8D, 5.4 G, 3.3 A-H, 3.7 A, C Process Skills 3.1 C
Explain how this idea or project enhances/supports Allen ISD curriculum or existing systems.	Allen ISD believes when students are given a new concept to learn first they need to work using concrete materials for problem solving and foundational skills. Giving students hands on experience to understand new topics will help with retention of new and old content.
What is the project timeline and the date of implementation?	We will purchase as soon as money is given and use throughout this year and years to come.
What teaching methods will be used to implement this project?	We will use in stations, small group, teacher table, cooperative learning with peers, and differentiated learning using depending on level of student.
What specific measurements will be used to evaluate the effectiveness of the project?	Teacher observations and progress monitoring in the SPED classroom. Teacher formal and informal evaluations. District benchmarks, simulations, and STAAR.
